From the Vicarage

Dear Friends,
Happy New Year! I trust that the year of 2011 will prove to be a good time for you. Perhaps it will be slightly warmer for the rest of the winter than the last month of 2010 has been. As I write it is with a litany of cancelled events to look back on; the Band Concert, the Christmas Market, a number of services in various places. But that is all in the past, and each New Year we have hopes for things that might be better, and maybe resolutions that we are going to try and keep.

For us, this is the start of our second year in the benefice, and I trust that we shall be able to continue to develop good relationships in each of the communities that we serve. I have no grand plans for change to share with you, but we are going to begin holding a different style of service on a second Sunday of the month, an idea discussed with the various church councils during the last year. What is being proposed is that we will meet at Longnor at 6.30pm on these Sundays and spend some time doing some bible study, before ending the evening with a short act of worship.

I appreciate that for some people this might seem like a rather daunting idea, and can I stress that we will make it as gentle and straight-forward as we can. Our traditional model of a church service, which is heavily dependent on the leadership of the Vicar, very rarely gives an opportunity for others to contribute their insights and ideas, and some people may be hesitant about the idea of talking about their faith, but these Sunday evenings will be a chance, in a relaxed way, to share together, and, I trust, to

grow together in our understanding of the truths God has given us in the Bible. In the year when we shall be celebrating the 400th Anniversary of the Authorised Version of the Bible, it seems appropriate to spend some time together learning more about what the book says to us. I hope that you will come to the first of these evenings, at Longnor on the 9th at 6.30pm, to join this new venture.

A few days ago, someone sent me, via email, a clip from 'Youtube'. (I have to say that my understanding and experience of that, and Twitter, and Facebook, is very limited!) This clip showed a small choir sitting in a shopping mall coffee area suddenly breaking into the Hallelujah Chorus from Handel's Messiah! It was very well sung, and most people seemed to be amused and enjoying the unexpected event, though I am sure some people would have been grumbling at having their coffee break interrupted. It made me think of a phrase in a carol that I used at Reapsmoor just before Christmas: "God surprises earth with heaven, coming here on Christmas Day."

As we look back to Christmas, we continue to thank God for his surprising love and believe that he can continue to surprise us with new experiences of his grace and kindness to us. I hope that for each one of you, 2011 may be a year in which, in some way, God surprises you with a new awareness of his love, a deeper joy in following him, a renewed delight in worshipping him, or in some other special way for you.

With best wishes to you all,

James Forrester

Used Postage Stamps

Thank you to all the people who
leave stamps in our churches.

Please try to leave a narrow
strip round each stamp. The last two sacks
of stamps were sent to the Leprosy Mission
- another sack is filling up quickly.

Exploring the Bible

This year is the 400th anniversary of the
translation of the King James version of
the Bible. Whether by coincidence or
design, Scripture Union are republishing a
book of 100 readings which they call the
"Essential 100"

We do not need to use the book, but I
wondered whether anyone is interested in
exploring these passages in a group. This is
for anyone who is interested whether or
not you come to church regularly,
occasionally or not at all.

I am hoping to start about the 3rd week in
January, so if you are interested please
contact me as soon as possible so that we
can try to find a time that suits everyone.

Electoral Roll

As we cannot find the up to date electoral
rolls for either Longnor or Sheen parishes,
it seems a good idea to start again.

So, if you live in the parish or worship
regularly in one of the churches, even if you
do not live in that parish, you are entitled
to be on the roll. Being on the roll declares
your commitment to the church and entitles
you to speak and vote at the annual meeting
which has to take place in March or April.

I have agreed to act as electoral roll
coordinator for all the parishes so I would
be grateful if you could contact me in
January or **February** so that I can get a
form to you and for you to return it in time
to draw up the list before the meetings.
We are supposed to display the lists in the
church for 3 weeks prior to the meeting.

Teddies for Tragedies

Thank you to all the people who responded
to the appeal for teddy bags. All the
teddies have now gone on their way to give
comfort to sick or frightened children.

As the cold weather threatens, making
teddies and their bags may be a project for
more people in our Benefice. The scheme is
on-going.

St. Bartholomew's Church News

Organ Restoration

We are very grateful to have received a donation of £1,000 from the Manifold Charitable Trust towards the cost of the recent work on the organ at St. Bartholomew's. Following the special service on the 28th November that marked the completion of the project, we also received further donations from members of the Etches family in memory of the late

Legacy

The church recently received a legacy of £5,000 from the estate of the late Ann Hedley. We are very grateful that Mrs. Hedley chose to remember the church in such a generous way. This was not given for a specific project or purpose, but the PCC will discuss if there is some appropriate way in which the legacy might be used.

Donations

We are grateful to have received donations for the church from Connie Gould, and from Barbara Mellor, in memory of Phyllis Gould

News from St Bartholomew's School ...

The outcome of our Ofsted Inspection was Good with some Outstanding elements. Ofsted said "St.Bartholomew's is a Good School. It provides outstanding care, guidance and support. Parents and Carers greatly value the excellent partnerships the school as with them, which support the children's learning so well." The full report is on our school website.

We have also had our church school inspection, the outcome of which is Good with some outstanding elements.

Our Community Let's Get Cooking event was enjoyed by children and parents alike. The younger children helped with the chopping of the fruit and putting on to the skewers, while being closely supervised by the adults. The older children cooked the chilli and rice. We also played games with the younger children while the chilli cooked.

Staff, children and Parents raised a total of £42.35 for Children in Need by coming to school dressed in spotty clothes and donating at least a pound for the privilege and by selling spotty cakes made by our cook

Miss Vickie. We have since had an outbreak of Chickenpox in school and it looked as if we were still trying to raise money for Children in Need.

The Chemical Magical Show at Leek High School with Flash children was enjoyed by all. There were lots of bangs, flashes of light and fire.

We took part in the Longnor Christmas market (in the school due to the weather) and the children did a Nativity Play and we raised £264.98 for school funds from our home made soup and rolls and sweet stall.

Our Christmas Play which was "A Christmas Carol" our adaptation of Dickens' classic story was very successful with children, staff and parents all enjoying it. Our Christmas Coffee morning had to be cancelled due to the bad weather, but we rescheduled it for Wednesday 15th December in the afternoon and it was well supported.

The last week of term before Christmas the children were very excited about the Play, visit to Buxton Opera House to see Aladdin, Coffee morning, (which was in the

afternoon) Christmas lunch and Carol service and then the most exciting of all Christmas Party with entertainer and a visit from Father Christmas. At the end of the week everyone was tired out, but a good time had been had by all. We hope all the children come back to school rested and ready for a New Year and New Term at school.

HAPPY NEW YEAR TO EVERYONE FROM ALL AT ST.BARTHOLOMEWS SCHOOL, LONGNOR

Christmas Market Report

As you will all know by now we were unable to hold Longnor's big market event in the village square due to the snow. This was very disappointing for all the committee who have worked so hard throughout the year to organise it. However we did hold a much smaller version in the school thanks to the generous offer of the use of the building by Sue Evans.

Several local stallholders attended and we had a most beautiful array of Christmas goods and fare which were very well received.

For entertainment the schoolchildren did a lovely short version of the Nativity accompanied by James Forrester on the piano and guitar. The Wicked Soles and Strings performed a wonderful set of music and dance which had everyone toe tapping and clapping.

Santa's grotto was a great success (even though the number of children visiting the market was somewhat depleted by an outbreak of chicken pox.)

The organising committee would like to thank all the people who volunteered to help on the day, the stallholders and entertainers for their valuable support and everyone who donated goods for the tombola stall and raffle prizes.

Once again a big thank you to Sue Evans for allowing us to commandeer her school.

For those of you who are wondering, the larger Longnor Market with all of the advertised attractions will still be held, probably during Wakes Week in September 2011 (in order to avoid any snow!) We will advertise the date as soon as it is confirmed.

The lottery grant we received can still be held over to next year to pay for the market in September. We were able to use the money from our fundraising to pay for the smaller one in the school.

So far we have had very positive comments about the market and much encouragement to continue our efforts in future to make this a fun annual event for everyone in the local area and an attraction for those from further afield.

Although the September event will be funded by our awarded lottery money, subsequent markets will not, so the committee will be organising fundraising events throughout the year. We look forward to your support.

Christmas Lights Competition

Members of the organising committee walked round the village on the evening of Friday 10th and were impressed with people's efforts to make their houses look festive. The winners of the trophy and first prize for the lights competition were Roy & Janet Braddock.

Runners up were Elaine & Brian at The Hillock.

Prizes were kindly donated by Tony Allen & Ford & Kidd Truck Bodies. We will of course continue to run this competition every Christmas.

Longnor Parish Council

Best Kept Village Competition - Well Done!

The Parish Council has now received detailed feedback from the competition judges. Their overall comment was 'Well done for achieving Highly Commended in the Small Village category. With a little more attention to detail in certain areas, Longnor could well be challenging for top honours in 2011'.

Judges were particularly pleased with areas such as private gardens, the market square and overall attractiveness of the village. However, an area of concern commented on more than once, was dog fouling - despite bins and notices this remains a problem. The Environmental Health enforcement officer will be making spot checks and has reminded us that not picking up is actually a criminal offence, so offenders will receive a fixed penalty. Other issues in the judges report are smaller and relate to litter and weeds in a

few parts of the village. Chris Stevenson will be arranging a meeting in the New Year to discuss the 2011 entry, these will be publicised but please also contact him (07870 423252) if you would like to be involved. If you would like further information or to see a full copy of the judges' comments, please contact the Clerk on 01298 84624 or janetnash@gmail.com.

Staffordshire County Council winter communications.

During the recent bad weather the County Council's highways team has been busy, its priorities are to protect the vulnerable and to keep the highway network open. The team is issuing regular updates on road conditions and the Council's frost, ice and snow action programme. This information is live each afternoon on www.staffordshire.gov.uk. All the gritting routes and general safer driving information can also be found on the website, but if you prefer a hard copy ring 0300 111 8000. There are also daily Twitter feeds, again found via the website.

Longnor Area Women's Institute - Strictly Social for January 19th 2011 at 7.00 p.m.

The floor of the school hall at Longnor was covered in an amazing array of greenery at the start of the monthly meeting on 17th November. Members and visitors had pruned hard in their gardens and went on to produce some very professional looking Christmas door and table decorations with the help of an expert florist Gill. Home-made cakes, preserves and crafts sold like hot ... cakes at the Longnor Christmas market. A very encouraging result after all of the effort of the last few months!

'Getting to know you' will be the theme of the next meeting on 19th January at the

Cheshire Cheese. We have had great fun making and doing things over the last few months and look forward to an equally busy 2011. At this January meeting we want to emphasise the FRIENDSHIP aspect of the WI, so we invite members and visitors to join us for a strictly social get together with a quiz. Please bring something to eat, quiche, bread rolls, cheese, chutney, sandwiches, cake etc. to share.

St. Paul's Church News

Netta Macfarlane

On Monday 20th December, a service of thanksgiving and celebration was held at St. Paul's following Netta's death on the 7th. Many will remember Netta's involvement in the life of the community after she and Iain had moved from Cheshire to Axe Edge Green Farm. Following the road accident 14 years ago that left her confined to a wheelchair, she continued to be part of the community as much as she could, and many friends gathered at the service to recall her life and give thanks for her personality, friendliness and her courage. We extend our sympathy to Iain, and to her daughters, Fiona and Karen and their families in this time of bereavement.

We also thank the family for their generous donation in memory of Netta.

Donation

We acknowledge with many thanks, a donation in memory of Harry & Joyce Gibson.

Sadly the weather forced the cancellation of our **Christmas Fair** on 4th December.

This means that we have a large quantity of our beautiful cards still for sale. The inside of the card is blank so it has many uses. If you would like a packet, please ask Val or Janet. (£3.50 for 10 cards)

News from Flash School.

December has been an exciting month for us all. The children enjoyed the pantomime in Buxton deciding that it was best production they had see for many years. We especially enjoyed the afternoon because our children shared the experience with the children from Longnor school.

We also had a trip on the Churnet Valley Railway and encountered a strange Victorian gentleman dressed in red. The café staff made us most welcome preparing a hot lunch.

Our production of Snow White and the Flash Dwarfs was a great success. The children were magnificent , so confident and happy. The evening was supported by a large audience.

The big news at the moment is our invitation by the Queen's Pageant Master to light a beacon for her majesty's Diamond Jubilee in 2012. The children's beacon will

be the first to be lit. We feel very privileged and will look forward to this event.

The Christmas fair was held after the Christingle Church service and was a resounding success. We enjoyed wonderful refreshments including the best cream cakes ever and wonderful hot soup. It was an especially happy afternoon with many people struggling out through the snow to share the joy of Christmas . Many thanks to one and all.

I would also like to thank everyone who has supported our school through this period of uncertainty regarding our future. My personal thanks must go to Mrs. Gill Heath who has campaigned tirelessly on our behalf. We await news of our future in the New Year.

May the children of Flash wish you a Happy New Year.
