Worship Leader's Letter

NOVEMBER- a month to remember

'This is my commandment, that you love one another as I have loved you. Greater love has no man than this, that a man lay down his life for his friends. You are my friends if you do what I command you. No longer do I call you servants, for the servant does not know what his master is doing; but I have called you my friends for all that I have heard from my Father I have made known to you. You did not choose me, but I chose you and appointed you that you should go and bear fruit and that your fruit should abide... This I command you, to love one another. John 15:12-17

November begins with the festival of All Saints' on 1st, when the church remembers all the saints and martyrs. This is followed on 2nd. by All Souls' when we remember and pray for those who have died from our communities and families "The commemoration of the Faithful Departed".

8th. November is Remembrance Sunday when our thoughts are with those men and women who paid the ultimate sacrifice, who fought for freedom and died - for us.

22nd. is the festival of Christ the King when we remember the supreme self-giving of Jesus Christ - for us.

29th. brings us to the beginning of the Church year with Advent Sunday. A new start, a new beginning.

Finally, 30th November, St. Andrew's day. The Church has always thought of this saint as the first to be remembered in her year, this is because St. Andrew was the first of the Apostles to be called by Jesus to follow Him.

Advent Sunday was to have been the day on which our new vicar began his ministry with us, but the date had to be altered. Rev. Paul Skillings and our friends in the Waterfall Benefice have kindly invited all of us to join with them to celebrate the beginning of the Church year at their Advent Sunday service, 6.30pm at Calton Church.

I do hope that many of you will come along -

perhaps we can car-share?

The first Saturday in December (5th) will be a new beginning in the life of our Benefice when we welcome Rev. James Forrester and his wife, Marion, The service is to be conducted by the Bishop of Lichfield at 3pm in St. Bartholomew'S, Longnor. Everyone is most welcome.

On a personal note, I would like to thank all the people who have given me help and encouragement during this interregnum. In particular I thank Mrs. Janet Sadler (Deanery Lay Chair) and Rev. Paul Skillings and his wife, Beryl.

When I was asked to arrange all the services for the five churches, little did I realise just how difficult this would be. It took many, many 'phone calls, and in one instance twenty calls, just to arrange one service, as well as letters and visits. However, we have been richly blessed by the wonderful people who have come to take services for us, people from our own diocese, and from Derby and Chester diocese.

Services have had to be held at different times to our usual pattern, to fit in with our visiting preachers, but during the fifteen months of arranging services for Longnor, Quarndon, Newtown and Reapsmoor, and twelve months for Sheen, almost everyone has been helpful, co-operative and understanding.

The services that I have conducted have taught me a great deal. As I have studied the Scriptures in order to try to interpret them I have gained a better understanding and a deeper faith. Thank you.

Just one more thing

I will never be able to attend an Ash Wednesday service again without remembering the terrible problems I had in creating the ash from the palm crosses. At least my fears of everyone smelling of white spirit didn't come true - but that's another story !!!!!

With very best wishes,

Janet

Hi Folks, This month has seen some changes to the way we are actioned to callouts. The Emergency Operations Centre that handles all of the 999 calls to the Ambulance Service in North Staffordshire and beyond has moved to new state of the art premises at Tollgate in Stafford. Instead of the old pager system we now receive text messages on a very smart but very complicated hand held radio which has the habit of bleeping at you all through the night. Teething problems we are assured!

Thank you to Jackie and Gary Bills from Cobbles in Longnor for a donation of £20 to help make up for the theft of our collecting box. We have also discovered the box from Longnor Post Office has walked! We now plan to empty the boxes very frequently and give a six monthly total. Hopefully this will mean there is never enough in the boxes to tempt the low life doing this.

Interviews by the Ambulance Service for potential Responders are coming up in November so if anyone out there thinks they could commit to the initial training, which is quite intensive over a twelve week period, and join us we would be thrilled to have you. Being a Responder equips you with a wide variety of skills and opportunities and is a big plus on any CV. We really,

really need some new Responders to come forward in order to provide you with more cover, especially during the day time. So please think about it.

KEEP WELL and KEEP SAFE

SALES OF NEW BOOK

To coincide with Remembrance Sunday and the 70th Anniversary of WW2, a Leek historian has just published a book about a local soldier entitled: 'Longnor's Hero of Telemark'. Chris Sheldon's book tells the true story of Vernon Belfield, from Church Street, who was executed by the Germans after being captured in Norway whilst on a top-secret mission. Vernon, the son of the village corn merchant, was one of 30 commandos flown to the Telemark region of Norway in November 1942, to destroy a hydro-electric plant producing a substance Adolph Hitler desperately needed to

develop the atom bomb. The troops' gliders crashed and the survivors, including Vernon Belfield, were taken prisoner and shot by firing squad on Hitler's orders. The plant they had tried to destroy was later severely damaged by Norwegian Resistance fighters, ending Hitler's race for the atom bomb. The incident was the basis for the 1965 film "The Heroes of Telemark". Vernon Belfield's fate remained a mystery until the end of the war but now the full story is told in this fascinating book. Priced at £5.99, the books are available from Sweetmore's Shop and for each copy sold in the church the author will donate £2 to Church funds.

Your Rural Police News

Over recent months we have been experiencing an unusually high number of burglaries in villages across the Moorlands. Commercial premises and domestic garages and sheds are in particular being targeted by thieves.

We have put a number of measures in place to deter and try to catch the criminals which includes support from other departments, additional Police patrols at relevant times and assistance from our crime reduction team at Leek to improve security at various locations.

We ask that members of our community are particularly vigilant and report to us any suspicious activity. Note down details of any vehicles and/or descriptions of persons that cause you concern.

A review of your own security arrangements is strongly recommended along with the identity marking and/or recording of serial numbers of any valuables.

If you need any assistance with this please contact Crime Reduction at Leek or your local Police team on our non-emergency telephone number.

In early September extensive damage was caused to the newly refurbished public toilets in Wetton. Stainless steel piping was bent and ripped away from its

mounting along with damage to tiling and the walls. The matter was investigated by myself and a 21 year old man from the Spondon area of Derbyshire was arrested. The man admitted the offence and is currently on Police bail whilst an invoice for repairs is prepared by Staffordshire Moorlands District Council, which the man will be expected to meet. Further action against the man will be decided in consultation with the Crown Prosecution Service.

Please make a note in your diary of the following Police Surgery;

11am til 12pm on Monday 23th November at the Craft Centre, Longnor Square

10am til 12pm on Saturday 19th December at Waterhouses Police Post

If you can suggest and are able to provide a venue which you believe may be beneficial and accessible to the community please get in touch.

Police surgeries for next year will be planned soon and will include additional venues.

If you need any advice on Policing issues contact myself Pc Andy Beresford or one of my colleagues at Waterhouses; Pc Brian Millward and PCSO Paul Flowers.

For non-emergency matters contact us on **0300 123 44 55** asking for your local officers.

If I'm not in the office you can leave me a voicemail message. I check this every duty day. You can also email me on andrew.beresford@staffordshire.pnn.police.uk

In the event of an emergency you should always ring 999 and even if there are no Waterhouses officers available there is continual 24 hour cover from one of our neighbouring stations.

These sentences (with all the BLOOPERS)
actually appeared in church bulletins or were
announced in church services:

The Fasting & Prayer Conference includes
meals.

The sermon this morning: 'Jesus Walks on
the Water.' The sermon tonight: 'Searching
for Jesus.'

Ladies, don't forget the rummage sale. It's
a chance to get rid of those things not worth
keeping around the house. Bring your
husbands.

Remember in prayer the many who are
sick of our community. Smile at someone
who is hard to love. Say 'Hell' to someone
who doesn't care much about you.

Don't let worry kill you off - let the Church
help.

Miss Charlene Mason sang 'I will not pass
this way again,' giving obvious pleasure to
the congregation.

For those of you who have children and
don't know it, we have a nursery downstairs.

Next Thursday there will be tryouts for the
choir. They need all the help they can get.

Irving Benson and Jessie Carter were
married on October 24 in the church. So ends
a friendship that began in their school days.

In Loving Memory

Frank Belfield

The funeral service for Frank Belfield took place on Monday, 14th September and was conducted by Rev Terry Warner, followed by interment in the churchyard.

Frank was born in Longnor on 5th June 1926. After the death of his mother at an early age he was raised by his Uncle Ike and Aunt Lil.

On leaving school Frank went to work on local farms, first at Hulme End and Hartington and Longnor. He went to Bassetts Grange at Hartington and from there to Burgesses at Leek and then Bakewell.

It was while travelling round the area as an agricultural engineer that Frank made many friends who remained in touch after his retirement, often calling for a bit of advice on how to repair the tractor or baler.

In 1957 Frank married Gladys whom he met while working at Heath House. In 1961 their daughter Susan was born.

Frank enjoyed sport and as a young man visited the Isle of Man for the T.T. Races and was a keen Stoke City supporter attending their home matches on a regular basis.

In 2005 Frank suffered a severe heart attack from which he recovered well and was quite active until last Christmas. During the final months of his life Frank's health slowly deteriorated and he relied on his friends for his daily paper, tablets, shopping, visits etc.

He was predeceased by his wife Gladys in 1999 and leaves his daughter Susan, son-in-law, John and grand-daughters, Amy and Jade.

Frank will be sadly missed by his family and many friends.

In Loving Memory

Anne Hedley

A Thanksgiving Service for the life of Anne Hedley was held at St. Bartholomew's Church on Tuesday, 29th September prior to cremation at Carmountside. Anne died on the 18th September aged 95 years.

She was one of eleven children of Clement and Annie Mellor of Schoolclough Farm, Longnor. Anne attended Longnor School and later became pupil-teacher there under Mr J. H. Boulton.

She qualified in 1936 from Sheffield City Technical College and was appointed as a qualified teacher at St. Edwards C of E School, Cheddleton, later becoming Deputy Head. There she met her husband-to-be, John, who was the headmaster and they were married in 1958, spending many happy years together in Basford.

Sadly, John died in 1979. In 1994 she moved to Buxton. Anne was a lady who liked travelling, visiting relatives and friends in America and South Africa and, in recent years, became an enthusiastic coach tourist.

She will be sadly missed by her many relatives and friends.

Donations of £225 have been sent to Longnor Church.

News From Flash C of E Primary School

We have had a very busy month. Miss Ruth James from the diocese team visited us for our 'Church Inspection' (which always follows an Ofsted Inspection) called a SIAS Inspection. We welcomed Ruth for the day and she spoke to our Foundation Governor, staff and pupils at length. She observed the children during worship, circle time and at play. It was a very positive experience.

Our Year 5 and Year 6 pupils enjoyed cycle training. The weather wasn't particularly kind to them as it was very misty and rather cool. They gained a level 2 in 'bikeability'. Well done to all of them.

The children have been finding out about the planets, making models of them and have been amazed by all the facts about them. We have all been looking at the

night sky, to the south west, where the brightest star in view is in fact Jupiter.

We have had the pleasure of welcoming Father Carl from Meerbrook who led our worship and also Mr. Kenny who helped out. Thanks to both for their time and kindness.

The school photographer visited and so did all the children from our Mums and Toddler Group. They meet every Wednesday afternoon, please contact us on 01298 23442 for more information.

Mrs J Mellor, Mr W.H. Gee, William Gould, Les & Lorna, Mrs M Lownds & Don, Mrs Ann Holmes, Mr Peter Kirkham, Tommy & Maureen.

Total Money raised was £510.33 ; £235 from donations, £93.80 from the collection and £181.53 from the auction.

St Johns also acknowledges with grateful thanks a donation from Mrs Joan Gregory in memory of her dear husband Gordon's 70th birthday on 20th November. We also acknowledge a very kind donation from Mrs Nancy Coates in memory of Mrs Doris Prince. Thank you both so much.

Hollinsclough

Hollinsclough School

The Rev'd Colin Smith took the Harvest Service on October 12th at 11.30am. The children added newly found conkers to the harvest table and they contributed the readings and their own prayers, creating a meaningful service. They have been on a course at the Manifold School to learn about cyber safety for their protection when they are using the internet and Mr Malbon is to attend a course to ensure the security of the computing system in the school.

"One-to-One Personalised Learning Sessions" are starting at the beginning of the month with Mr Dan Gerrard and the history and meaning of Remembrance Day is on the curriculum; we are hoping that poppies will be available for sale at the school.

Parents are invited to a Consultation Day on November 9th when they can drop in to raise any concerns they have.

The children have been invited to a Multi-Skills Action Day (or rather, an afternoon) at Leek High School on November 18th. The Pantomime is being planned by Mrs Claire Wolstencroft and will be in both French and English.

Hollinsclough has been awarded the Dyslexia-Friendly Status Level I Award ceremony at Riverway, Stafford - and plans are afoot to advance to Dyslexia-Friendly Status Level II.

We very much regret the retirement of Mr. Beswick from the position of Organist, who explained in his note of resignation ' I feel it to be too great a tie at my age.' The whole parish, we are sure, joins in our expression of regret, and desire very cordially to thank Mr. Beswick for his faithful and long service. Mr. A. Kidd has been appointed to fill the vacancy and we trust that the congregation and Choir will do everything to make the position happy and congenial.

Weekday Page for Women

Wednesday - Nursing

When one member of the household is starting a cold , put a small washed-out tin, such as an empty evaporated milk tin, on the kitchen hob or some other light heat. Put a little water in the tin and add a teaspoonful of coal tar or pine essence purchased from any chemist. The fumes will permeate the household and will both help to get rid of the cold quickly and also prevent other members of the household from catching it.
